4. Admissions Criteria

4.1 Parents and carers may state their preference as to which nursery class, school or centre they would like their child to attend in the years leading up to the child's admission to reception class. Parents and Carers will be advised annually of the agreed admission dates.

4.2 The School Governing body will consider all applications in accordance with the following criteria, set out in priority order:

- Children eligible for the two year old free entitlement will take priority over those that are not eligible for the two year old free entitlement;
- Looked-after children and previously looked after children (*note 1*);
- Children who have a sibling (defined as half/step/foster/adopted sibling) whose main residence is the same address and will be attending the school at the time of admission;
- Where there are serious medical grounds (supported by documentation from a registered medical practitioner) and/or special educational/ social need for admitting the child (*note 2*);
- Date of application as noted on our application form;
- Distance- proximity of the child's home to the school, with those living nearer being accorded the higher priority (*note 3*).

If the nursery is oversubscribed, children in the year before they start in reception will be given priority.

Note 1

Looked after children are defined as children in public care at the date on which the application is made. Previously looked after children are children who were looked after, but ceased to be so because they were adopted or became subject to a residence order or special guardianship order, immediately after

being looked after. If an application is made under the 'looked after' criterion, it must be supported by a letter from the relevant Local Authority Children's Services Department and/or relevant document.

Note 2

The medical reasons must be verified by a doctor or consultant and declared at the time of application if known at the time. Claims for priority of admission on medical grounds will not be considered if submitted after a decision on the original applications has been made.

Children for whom there is a recommendation for nursery education by a health professional, social worker, educational psychologist, outreach worker or education welfare officer on the basis of the child's special educational needs. Examples of special educational or social needs, in no order of priority, might include:

- Identified emotional and behavioural difficulties;
- Lack of personal interaction and stimulation;
- Identified social communication difficulties;
- Identified speech and language difficulties;
- A registered disability.

Note 3

Distance will be measured as a straight line drawn on a map from the front gate of the school to the front door of the home at which the child normally resides. For flats, the centre point will be taken from the centre of the building. Home is defined as the address where the child normally resides as their only or principal residence. Parents/ carers are always asked to provide documentary evidence to confirm an address and parental responsibility. Child minding factors cannot be taken into account when allocating places at over-subscribed schools.

Shared Custody - If parents share custody of the child, the address given should be that of the parent with whom the child spends most of the school week, which will be the address where Child Benefit is payable. Only one application per child can be accepted. If the address of the parent differs from that of the child, a written explanation must be submitted with the application. Custody issues cannot be resolved by the LA.

5. Procedure for Admission

5.1 Thornton Heath Nursery School (THNS) can accommodate a maximum of 104 places for three to four year olds and 40 places for two year olds. Parents and carers who are interested in making an application to the nursery will need to complete the relevant application form and return it to the school.

5.2 As soon as a place has been offered, parents/ carers will need to sign the Croydon Free Entitlement Parental/Carer Agreement and staff must see the child's full, original birth certificate and proof of address. THNS does not keep photocopies of these documents for more than 3 months due to data protection.

5.3 Parents/carers must give 4 weeks' notice in writing if they no longer wish their child to attend THNS. As THNS is a term time only setting, notice to leave must be received during term time. Should notice be received during a holiday period the actual notice will not start until the first day of the term / half term following the holiday. In line with Local Authority protocol holiday periods are not included within the four week notice period. During this time an alternative setting is not able to claim funding for your child and therefore there is likely to be a delay in your child starting elsewhere. Fees are still applicable for those children who are privately funded during the four week notice period.
