

THNS International Day

Thursday 20th October 2022, 4 pm-5.30pm

On **Thursday 20th October** we will be hosting our popular 'International Day' event, where we celebrate the dynamic and diverse community that we have at Thornton Heath Nursery School.

On this day we would like the children to come to school dressed in clothes which represent their country / countries or cultures. This could be a national costume or maybe they could come dressed in the colours from the country's flag. Please collect your child at your normal time.

From 4pm we would like you and your family to come back to the nursery. We ask that you bring with you a traditional dish from your country so that we can all have a small taste! Please ensure that you do not bring in any food containing nuts as we have some children who have nut allergies. If you could also label your food so everyone is aware of what they are eating, that would be very helpful.

We will have "body art" flag painting using face paints, music and a variety of activities for you to do with your child. Please be aware that it is your responsibility to look after your child/children at this event.

This event is for all the children at Thornton Heath Nursery School, it is a fantastic opportunity to connect with other families and to spend time with your child in their learning environment.

There are sign-up sheets in the nursery entrances so that we can get an idea of how many of you are able to come. This is the first time we have been able to hold this event since the covid pandemic so we really hope you will be able to join us.

Please see Jim, Karen or Jenette to discuss any of this in further detail.

Thanks for your support and see you there! 😊
