

# Thornton Heath Nursery School Newsletter

## April 2021

**Dear Parents and Carers,**

As we come to the end of the Easter term I thought I would write to wish you all a lovely break. Hopefully some of you will have the opportunity to meet up with some of your friends and families during the two weeks off - obviously adhering to the current "lockdown" guidance. The nursery closes today Thursday 1st April 2021 and re-opens on Monday 19th April 2021

Our Easter egg raffle has been a huge success, we were absolutely amazed with your generosity and because of this we have raised a huge total of £240 towards enhancing your child's experiences at Thornton Heath Nursery School. We are already planning on buying sunflower, bean, lettuce, tomato and marrow seeds for your children to plant in our garden. Once they have grown we will harvest them and make delicious pasta sauces and soup for the children to try. We have never raised so much money from one raffle and we thank you.

### Contact details

Please remember to keep the telephone number(s) and address that we have for you up to date. For safeguarding purposes we need to have the address where you are currently living. Not only do we need your phone number in case of an emergency we also often use texts to communicate with you and you are likely to miss out on important messages if your phone number is not up to date.

### Primary school offer—for those starting in reception September 2021

On the **16th April 2021** you should hear which primary school your child has been offered for their September 2021 start. We need to know which school you have accepted so that your child's information can be sent to the correct school. Please email us at [keepintouch@THNS.org](mailto:keepintouch@THNS.org) with this information.

### Magic booking

Please remember to book your weekly sessions in advance, Sunday is the last day you can book for the following week. As stated in the contract if you miss three bookings in succession your child's place at the nursery could be at risk. We are always here to listen and help if you need any support with this.

### Summer term weather

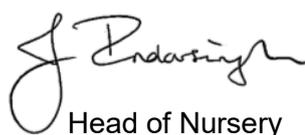

We have noticed that many of the children are coming to the nursery in multiple layers of clothing. We understand that you wish to keep your child warm however as a general guidance if you, as an adult are warm enough in a t-shirt and jumper then your child will be too. Please remember the children spend a lot of time moving around and they can become over warm and uncomfortable if wearing too many layers. It is also more difficult for the children to independently manage toileting and getting coats on/off if they are wearing multiple layers.

### Spare clothes

We have had some donations of spare clothes, thank you to those of you that have donated. If you are having a tidy out over the holiday we could definitely use some more!

Please remember to keep checking our website [THNS.org](http://THNS.org) for our news stories and updates. You can also contact us through emailing [keepintouch@THNS.org](mailto:keepintouch@THNS.org)

  
Head of Nursery

**Please continue to wear a mask when dropping off and collecting your child as this helps me to keep my staff safe.**
