

Thornton Heath Nursery School Newsletter

July 2025

Dear Parents and Carers,

It is hard to believe that we are now in the final week of this academic year as we break for the summer holiday on 18th July 2025.

We are looking forward to our end of year picnic, I am checking the weather forecast on a daily basis! At the moment the BBC weather app says that Friday the 18th July will be a sunny day (fingers crossed). You have already received a letter about the organisation of this. Please bring £1 (per child) to the picnic as a lucky dip, face-painting and ice-creams will be available (you can also pre-buy tickets for this from the school office from Tuesday 15th July 2025)

This is always a sad time of year as we say goodbye to many of our children as they move on to their primary schools. We are looking forward to hearing how they have settled with their new teachers and how well they are doing in school. It is also an exciting time as we prepare to great new children to our THNS family!

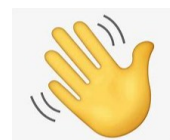

I'm also sad to share that our wonderful Maria, who has been a valued member of our team for nearly seven years, will be moving on—not just to a new role, but to a new country! Maria has shared that this was not an easy decision, but she feels that now is the right time for this exciting new chapter. I am sure that you will all join us in wishing her the very best of luck, she will be greatly missed by both the staff and the children.

During the summer holidays, our entire heating system will be replaced. As a result, we will need to begin taking down displays earlier than usual. We apologise in advance if parts of the nursery start to look a little less vibrant during this time—it is only temporary, and all part of preparing for the exciting improvements ahead.

We would like to take this opportunity to wish you all a fabulous summer holiday, we hope it is filled with fun and laughter.

For those of you that are returning in September, we will see you on **Wednesday 3rd September 2025**.

Many thanks

Tapestry

Throughout your child's time at nursery, you will have received regular updates about their learning journey via Tapestry. You can also use Tapestry to share your own photos and comments, which your child's key worker will be able to view. We'd love to see some of the activities you enjoy together as a family over the summer—these not only give us a lovely insight into your child's experiences but also provide great talking points when they return in September 2025.

Gentle reminder

Please ensure that you take all of your child's belongings home on their last day at nursery, including any medical items such as asthma pumps.

If you have chosen a different setting for your child from September 2025, please remember that notice should have already been submitted to the school office. If notice has not been given, your child is still under contract with Thornton Heath Nursery School, and the new school reserves the right to defer your child's start date.

Head of Nursery

Please remember to keep checking our website THNS.org for our news stories and updates.

If you have a spare 5 minutes during the holiday we would appreciate it if you could complete a "Google review" about the nursery.

Summer picnic

**Buy a £1 ticket from the school office
and your child gets a go at the lucky dip,
can have a motive painted on their face
and they can have an ice-cream.**

(All for £1)

**Tickets on sale from
Tuesday 15th July.**

Can also be purchased on the day.
