

# Thornton Heath Nursery School Newsletter

## May 2023

Dear Parents and Carers,

We have come to the end of another busy half term at the nursery. Admittedly it has felt like a short half term due to the extra bank holiday in recognition of the King's coronation. I hope that you all enjoyed some family time together on these days.

It is hard to believe that we are heading in to the final half term of this academic year and for many of the children it will be their final weeks at Thornton Heath Nursery School as they will be moving on to primary school in September 2023.

I would like to wish you all a relaxing half term holiday, let's hope that the sun continues to shine so that you can enjoy some days out and about.

Just a reminder that the nursery has now closed for the half term holiday and it re-opens on Monday 5th June 2023.

Kind regards

Jenette and the THNS team.

### **Pyjamarama event : 16th June 2023**

On Friday 16th June 2023 the children can come to school in their pyjamas (or comfy clothes) to help raise funds for the BookTrust charity. The BookTrust charity is the UK's largest reading charity and they provide millions of children every year with books and resources to support every child reading. We have already received a BookTrust pack for each child that is transitioning to primary school in September 2023 which we will give out on Pyjamarama day. Your £1 donation on Pyjamarama day will help raise funds to ensure that the charity can continue to provide these books.

### **Summer term weather**

Although the sun does keep making an appearance it is still very inconsistent and some times the days can still be quite cold. The children have the freedom to decide whether they want to do their learning inside or outside so please continue to send your child to school with a coat and dressed in suitable clothing for the ever changing weather.

### **Personal belongings**

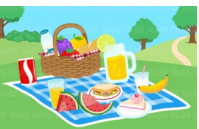

Please do not allow your child to bring toys etc. to the nursery. We have plenty of resources and toys for them to use whilst they are here. Toys brought in from home can often cause "upset" particularly if the toy goes missing during the day. Similarly can you also check that your child has not taken any of the nursery toys home with them.

### **Save the date**

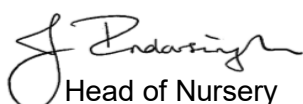

On Friday 9th June the school photographer will be visiting to take your child's end of year photo.

We have a dental nurse visiting on Tuesday 27th June who will be talking to the children (and parents that can be here) about the importance of good dental hygiene.

We are hoping to hold our annual end of year picnic on Friday 21st July, it would be lovely to see you all there so please put the date in your diary, more information to follow.

  
Head of Nursery
