

# Thornton Heath Nursery School Newsletter

## 31st March 2023

Dear Parents and Carers,

As we come to the end of the Spring term I thought I would write to wish you all a lovely break. Hopefully some of you will have the opportunity to meet up with some of your friends and families during the two weeks off, hopefully we will have some sunny days! The nursery closes today Friday 31st March 2023 and re-opens on Monday 17th April 2023.

Our Easter egg raffle has been a huge success, we were absolutely amazed with your generosity and because of this we have raised a huge total of £160 towards enhancing your child's experiences at Thornton Heath Nursery School.

We are already planning on buying a "Butterfly Garden" experience where your children can watch the process of how a caterpillar becomes a beautiful butterfly.

Over the summer term we will be running some "Parent Workshops" for you that we hope you will be able to attend. There will be more information about these opportunities when we return after the Easter Break.

Some of you will already be aware that it is Claire's last day today, I am sure you will join us in wishing her all the best for the future as she starts her new adventure. After the Easter holiday we will be welcoming two new members of staff to our THNS family, Anita and Tamzin who will be working with the three and four year old children.

We wish you all a happy Easter break.

### **Primary school offer—for those starting in reception September 2021**

On the **17th April 2023** you should hear which primary school your child has been offered for their September 2023 start. We need to know which school you have accepted so that your child's information can be sent to the correct school. Please email us at [keepintouch@THNS.org](mailto:keepintouch@THNS.org) with this information.

### **Contact details**

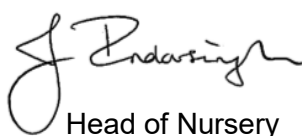

Please remember to keep the telephone number(s) and address that we have for you up to date. For safeguarding purposes we need to have the address where you are currently living.

Not only do we need your phone number in case of an emergency we also often use texts to communicate with you and you are likely to miss out on important messages if your phone number is not up to date.

### **Snack contribution**

Just a gentle reminder that we have asked for a voluntary contribution to cover the cost of snack time and cooking with the children during the summer term. You should have received a letter about this at the beginning of March. Please make your contributions by Friday 21st April 2023. If you did not receive a letter or require another copy we can provide you with one when we return after the Easter holiday. Although this is a voluntary contribution we may not be able to continue snack time / cooking within the nursery if we do not receive enough contributions.
