

# Thornton Heath Nursery School Newsletter

## May 2022

Dear Parents and Carers,

Welcome to the summer term, I hope you had an enjoyable two week break and were able to get “out and about” in the sun.

I would like to take this opportunity to say “hello” to our new families in the nursery and trust that you have received a warm THNS welcome from the staff.

In my last newsletter I mentioned that we would be organising some “Parent Workshops” for you over the summer term, for each workshop there will be a “sign-up” sheet and unfortunately places will be allocated on a “first come first serve basis”. The workshops will be running at both 9.00am and 13.00pm.

### **Primary school offer—for those starting in reception September 2022**

Please remember to notify us of which primary school your child will be attending from September 2022 so that we can ensure that your child’s records are sent to the correct school. We also need to know if your child will be continuing their nursery education at a different school to THNS from September 2022. We have a long waiting list for spaces and therefore it is important for us to know about any children that might not return so that we can “fill” these spaces.

Please email us at [keepintouch@THNS.org](mailto:keepintouch@THNS.org) with this information or call the school office on 020 86840494

### **Queens jubilee celebrations, Friday 27th May 2022**

**SAVE THE DATE** : We are hoping to host a parent / child picnic to celebrate the Queen’s Platinum Jubilee. There will be more information about this event nearer the time.

### **Summer term weather**

Although the sun does keep making an appearance it is still very inconsistent and some times the days can still be quite cold. The children have the freedom to decided whether they want to do their learning inside or outside so please continue to send your child to school with a coat and dressed in suitable clothing for the ever changing weather.

### **Polite reminder**

Between 11.30am and 12.30pm the nursery is shut for lunchtime. During this time the staff also have their lunch and therefore there is nobody in the office to answer the phone. If you are reporting a child’s absence please select option 1 and leave a message.
